

The background of the menu is a complex, abstract composition of geometric shapes and patterns. It features a variety of line styles, including solid black, white, and different densities of gray lines. The shapes include circles, squares, triangles, and rectangles, some of which are filled with these patterns. The overall effect is a modern, minimalist aesthetic. Four small circular icons, each containing a crosshair, are positioned at the top, bottom, left, and right edges of the page.
